

**CITY OF MISSION VIEJO
MEMBER OF THE CITY COUNCIL**

BRAD MORTON

AGE: 58

OCCUPATION: Businessman, Trusts Lawyer

Former Mayors Norman Murray and John Paul Ledesma endorse Brad Morton. Brad is a fiscal conservative supporting:

- Reduced traffic congestion
- Public safety
- Modernized recreational facilities and infrastructure
- Future expanded community/senior center
- Positive school relationships
- Friendly business environment
- Underground powerlines
- Limited growth
- Low taxes
- Stronger reserves

We need the business, legal, and analytical depth only Brad offers as business owner for over 20 years, trusts lawyer for nearly 10 years, public policy watchdog, and 30-year resident. He's uniquely experienced and qualified for Mission Viejo's serious issues.

Previously City Hall embarrassed residents. Some councilmembers named facilities after themselves, violated open government laws, handed millions to wealthy corporations, increased debt, and reduced reserves. Brad brings the right medicine.

Brad is Co-Founder and Chairman of a public policy oversight group (Committee for Integrity in Government). For 7 years Brad successfully fought for Mission Viejo residents against secrecy and wasteful spending in government. He researched issues, informed citizens, and worked with councilmembers. Due to his thoughtful leadership, public participation has grown.

Brad was Scout Leader and K-8 School Board Chairman. His wife, Jan, was PTA President. People like Brad's helpful, friendly, grassroots approach.

Let's upgrade our council's skills, integrity, and teamwork. Elect Brad Morton! www.bradmorton.net
